CSI CLASSES FOR KIDS COMES TO VACAVILLE JANUARY 29

Move over Las Vegas; make way, Miami! CSI: Vacaville is set to begin its winter season on Tuesday, January 29 at the McBride Senior Center.

No, the TV show isn't coming to Vacaville, but aspiring young forensic scientists can now experience the excitement of solving crimes through detection and scientific analysis!

The five-week class is offered by the City of Vacaville's Community Services Department and will provide an opportunity for kids to build their crime-solving skills using standard forensic techniques.

This will be a hands-on, fun, and stimulating class; all experiments use safe equipment and chemicals. Classes will be held at the McBride Center, 91 Town Square Place on Tuesdays from 3:30 to 5:30 p.m.

This class is open to children in grades 5 – 8 and the cost of \$25 includes instruction, all materials and supplies. Register at any Community Center or on-line www.cityofvacaville.com.
